

Mountain West GolfScapes

Mountain West GolfScapes is a licensed and bonded New Mexico contracting corporation specializing in landscape and golf course construction, renovation, and maintenance, with dedicated expertise in sports field construction. President John Mondragon has been involved in the industry for 45 years, holding positions as laborer, foreman, project superintendent, operations manager, estimator, and eventually president of MWGS.

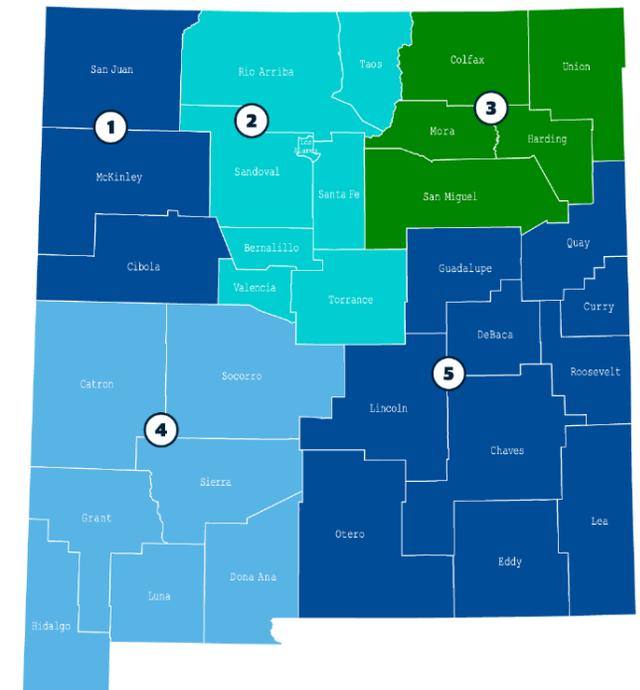

Over the past 20+ years, MWGS management has constructed and renovated golf courses, athletic facilities, recreational complexes, and parks throughout New Mexico, Texas, and Arizona. The company has the experience and expertise to build these facilities as well as manage and maintain them to the highest quality. Its mission is to take pride in quality work and build strong relationships with clients, completing projects in a timely manner with quality as the top priority. Currently employing three superintendents and fifty employees, the company has the equipment and personnel resources to ensure that all projects are properly staffed and supervised to produce an excellent finished product.

About Job Order Contracting (JOC)

Gordian's Job Order Contracting (JOC), also known as ezIQC, is accessible through Omnia in New Mexico. It enhances the efficiency and cost control of the procurement process by establishing price transparency and local, competitively-awarded contracts. With one contract, multiple projects can be accomplished – eliminating the need for separate bids. JOC empowers project owners to bypass the lengthy procedures of traditional procurement, issue purchase orders in a matter of days and still meet local competitive bidding requirements. Embrace a best-in-class construction procurement process with Gordian JOC.

About Gordian

Gordian has decades of experience helping implement and oversee Job Order Contracting programs — more than any other JOC provider in the world. Our JOC solutions are used to complete over \$4B in construction volume each year. The secret to our success is our people. Gordian's in-house JOC experts provide end-to-end program support to ensure every JOC project is a success.
